research  
CTAL 3 – focus on literacy

25 credit accredited programme  
89-hour

## CTAL 2 structure

- Critical thinking and reading
- Action research
- Cooperative learning for the development of critical thinking skills
- Lesson planning
- Critical thinking and writing
- Particularities of assessment in lessons that develop critical thinking skills
- Final evaluation

## Results

- 376 trained teachers (+ 3000 teachers who completed the RWCT programme prior to programme accreditation)
- CTAL impacted teachers literacy instruction practices
- CTAL participants use the variety of reading and writing strategies that were part of the CTAL course curriculum, regardless of the discipline they teach
- Language teachers may have benefited from the CTAL course more than non-language teachers.
